Notes:

1. The column headed 'MYC' will be used for club racing.
2. The column headed 'RYA' will be used for open meetings (including open long distance races).
3. There is insufficient data for calculation and the RYA PN 2026 has been used where available, or a number supplied by the manufacturer or class association.
4. Merlin Rockets and National 12s will use the ratings published by their class association.
